

HOMES FOR HEROES

My name is Jeanne Keating and I am your local Homes for Heroes Real Estate Broker for Chicago. First and foremost, thank you for your service!

I am the wife of Retired Deputy Chief Keating and a Top Producing Chicago Real Estate Broker. Our team is Number 1 in Chicago and has been for the last 8 years and would like to give back to our First Responders.

If you are looking to buy, sell, or refinance a home, you qualify for being a Hero -- whether you are active or retired. Please feel free to call me direct at 312.671.5525 or you can register online at <https://JeanneSellsChicago.com>.

Our Heroes include all Police, Military, Firemen, EMS, Teachers and all Healthcare Providers. When buying a home, you will receive .7% of the sales price of the home in a reward check after closing. Similarly, if you are selling, the listing commission is discounted 25%, reduced from 3% to 2.25%.

On average, a \$300,000 home purchase will save you up to:

\$2,100 Realtor Reward Check (presented to you directly after close)

\$500 Lender Credit

\$125 discount on Closing Fees

10% off your Home Inspection

\* If using participating Homes for Heroes affiliated companies

Homes for Heroes is a program that I am affiliated with as my way of giving back to our First Responders. The Homes for Heroes promise from me to you is: no hidden fees, no red tape, no extra paperwork, no catch! I look forward to going above and beyond for all your real estate needs.

I also have lenders that will discount our First Responders if you need pre-approval.

Please pass the word and distribute and post the attached flyer -- I will be dropping off flyers to FOP, CPD Districts as well as the Chicago Police Memorial. This is my way of saying "Thank You".

You can start your application at <https://JeanneSellsChicago.com> or call me direct at anytime at 312.671.5525. Thank you in advance and be safe out there.

"We are thankful for programs like yours that help us save money. Being a police officer trusting people that I don't know is difficult due to dealing with people lying to us on a daily basis. However using a program like Homes for Heroes and knowing that I can trust the service is a huge part of my satisfaction with your company. So... thank you again for not only saving me money, but also treating me like family and giving me a company I can trust." - Elijah
