## In Memory Of

**EVIDENCE TECHNICIAN ELIJAH HARRIS, STAR 15208**

On Monday, 31 July 1989, at about 2303 hours, while assigned to the 006th District and on patrol, Officer Elijah Harris was informed by a citizen that a youth had a gun and had fired at him earlier. Based on the information provided, Officer Harris stopped the suspect and was conducting a protective pat down search when the suspect suddenly spun around and produced a weapon from the area of his waistband and fired once, striking the officer in the left upper abdomen. Officer Harris died of his injury on 16 November 1989.

As Superintendent of Police, I encourage Department members to join me in paying respect to our departed officer at the wake and funeral services:
